

TOWN OF BRIDGEVILLE

THE JOURNAL

VOLUME 39 CHAPTER 707

JUN/JUL 2007

From the President's Desk

The Inaugural Bridgeville Charity Open continues its successful march towards an opening tee shot on October 12, 2007. At this point seven sponsors have signed on for the event; they include Allen and Rocks, Lennar Homes, Providence of Brookfield Homes, F E D Investments, Carl M. Freeman Communities, Peninsula at Long Neck, Route 13 LLC and Pet Poultry Products. At this writing, total revenue exceeds \$27,000. Profits from this tournament will support the efforts of three local organizations, the Bridgeville Kiwanis Foundation, the Bridgeville Lions Club and the Bridgeville Senior Center. Sign up your foursomes today, as we expect to fill our quota long before October.

Work continues at breakneck speed on two projects that will greatly affect our Town. The Route 13 and 404 intersection and service roads project appears to be well on its way to meeting its projected completion date of Fall 2008. The new Bridgeville Wastewater Facility on Apple Tree Road is under construction and is moving forward on two fronts. The lagoon that will hold up to 120 days of tertiary treated wastewater is being constructed on the Apple Tree Rd. site. The transmission lines that will bring this treated water to the site is being constructed on Apple Tree Rd. and is presently nearing the Redden Rd. This line will be connected to our present discharge line just west of Route 13. Present plans will allow us to continue discharging into the Bridgeville Branch for the three winter months, while we will use our spray site for the other nine months of the year. We hope to have this state of the art facility on line by Spring 2008.

A Public Hearing has been scheduled for Thursday, August 2nd at 7:00 PM at the Town Hall to hear a request by Royal Farms to annex to our Town. Royal Farms made this request to obtain services from the Town. We had not planned to bring additional annexation requests forward at this point, but at the urging of the Delaware Department of Transportation, we are moving forward on this request. It will be far easier for Royal Farms to extend our water and sewer lines while everything is torn up than it would be after all the new roads are in place. Royal Farms plans nothing new on the site, so what we see is what we get. The Annexation Vote will be held on Saturday, August 4th from 10:00 AM until 2:00 PM.

At the request of our insurance carrier, the Town has adopted a new Harassment (sexual or otherwise) Policy. The policy will provide a work environment free from all forms of harassment and it develops a procedure that can be used to prevent such behavior and to remedy all reported instances of harassment.

Town Manager's Report

A Disaster Preparedness Brochure was included in the "Journal" several months ago. Along with assisting you in planning for emergencies, the brochure offered a "Special Needs Information Registration Form" at the end of the pamphlet. Those people with special needs during an emergency (i.e. electric supply for life support, refrigeration for medication, and oxygen needs) were asked to fill out the form and return it to the Town office. To date we have not received any special needs forms. If you are a resident with special needs, please contact us. This information would be vital to first responders in an emergency.

Also included in the brochure was a Family Disaster Kit Materials List. We are hopeful that proper attention has been given to the List for your family's protection. We would like to suggest that you communicate with your neighbors and prepare a list of their names and phone numbers for any emergencies. If you are not home, do your children know where they should seek safe shelter in an

emergency? It should be nearby, perhaps at a neighbor's home. Bear in mind these important steps in keeping your family together and safe.

Please consider the Town's proposed curbside recycling program highlighted on page 4 of this issue. A sample tote is available for inspection at the Town Hall. Some residents have inquired if the recycling bins next to Town Hall will be removed if curbside recycling is implemented. I have been assured the bins will remain. We would encourage you to participate in recycling; it is an opportunity to help protect our environment.

Enclosed is a survey asking for your opinion of the Town and its daily operations. We would appreciate your response. Although it looks long, it will only take a few moments to complete. Drop it off at the Town Hall during regular business hours or slip it in the side door mail slot.

Enjoy the rest of your summer.

Kiwanis Club of Bridgeville News

- **New American Flags**

The Bridgeville Kiwanians recently purchased 50+ American Flags at a cost of \$1,200 and installed them along five community streets prior to Memorial Day. The Kiwanians wish to thank the Town Commissioners and the Bridgeville Lions / Lioness for their contribution of funds in support of this community project. The flags certainly enhance the appearance of the streets as well as demonstrating a measure of respect and patriotism for our great nation.

- **Scholarships**

The Bridgeville Kiwanians were pleased to present four \$500.00 scholarships to deserving 2007 high school graduates in June.

- **Bridgeville Kiwanis Club "Out-walks" Seaford Club**

The Seaford Kiwanians recently challenged the Bridgeville Kiwanians to see which club could have the greatest number of Kiwanians and their spouses attend and support a Walk-a-thon in support of various health issues. The Seaford Club members were the losers! Therefore, on Monday, July 16th, the Seaford Kiwanians and their spouses prepared and served a delicious fruit cup to the Bridgeville Club during the Bridgeville Kiwanis Family Night meeting held in the new serving building at the Kiwanis Chicken Barbecue site on Route 404.

- **Kiwanis Club Membership**

The Kiwanis Club of Bridgeville is always looking for new members. Please call Ralph Scott at 337-8274 or George Hardesty at 337-7070 for more information and an invitation to a free dinner meeting to meet other members.
